The Moody Air Force Base Child Development Center (CDC) provides quality full-time care for children 6 weeks to 5 years of age. The children of active duty military, Department of Defense civilians paid either by NAF and APF, Reservists on active duty or during active duty training and Department of Defense Contractors are eligible.

The CDC is accredited by National Association for the Education of Young Children (NAEYC). We provide high quality early childhood programs in a safe and nurturing, home-like environment, while promoting the development and growth of children entrusted in our care.

### ENROLLMENT

Patrons who are seeking full-time care for their children are requested to visit [www.militarychildcare.com](http://www.militarychildcare.com) to request Child Care. Once care is available in one of the above programs the patron will complete a registration packet. Current children's immunizations are required. You will also need to bring your most current Leave and Earnings Statement/Payroll Statement. The CDC staff will use this information to complete a DD Form 2652, Verification of Total Family Income, to calculate your child care payments. All paperwork must be complete prior to child's attendance.

### HOURLY CARE

Hourly care is offered when space is available. Parents can make reservations by calling the CDC. These reservations can be made up to two weeks in advance or on the same day. Reservations are given on a first-come, first-serve basis. The fee is \$4 an hour per child.

### PRE-KINDERGARTEN

The Moody CDC, in conjunction with Georgia Department of Early Care and Learning, "Bright from the Start", offers a pre-kindergarten program. Children who are four years old by September 1st can participate in this program. Pre-K is offered on a first-come, first-served basis, and runs in conjunction with the Lowndes County School calendar. Pre-K hours of operation are 8 a.m. to 2:30 p.m.
