

## LOOKING TO RETRAIN?

Manpower is a cross-train only career field. Interested in making the switch into a new career? Give us a call!

All cross-trainees must be proficient in writing, speaking and mathematical skills. The ASVAB score required is a 66 in the administrative section. Scores can be located via the vMPF.

MOODY AFB I-CUBED  
CONTINUOUS IDEAS, IMPROVEMENTS & INNOVATIONS

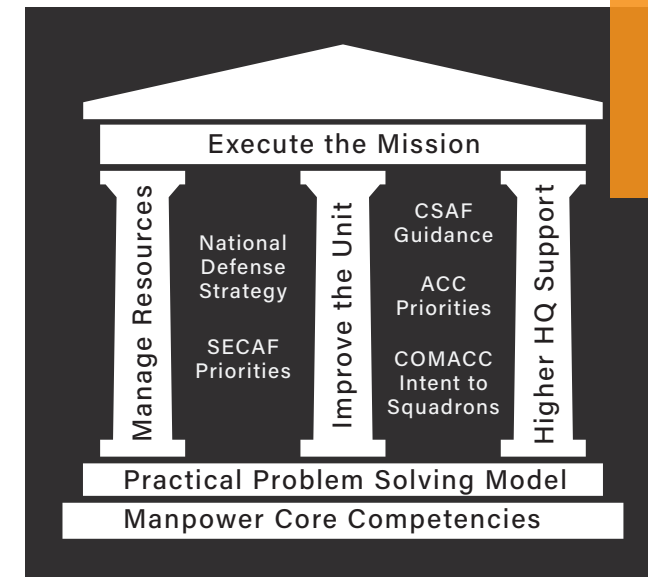

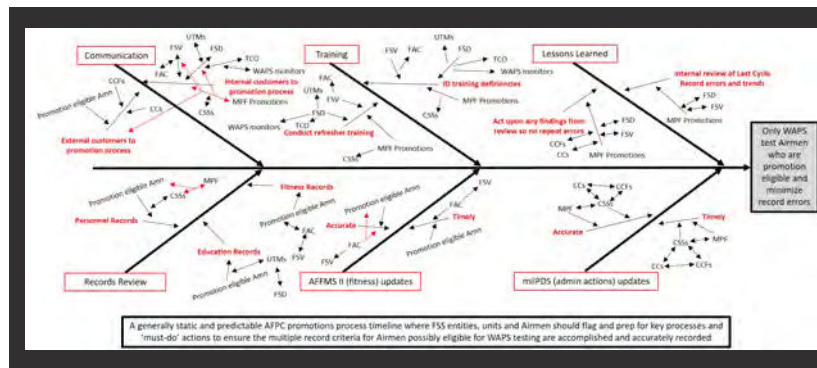

WHAT'S YOUR I-CUBED?

## CI<sup>3</sup>

Continuous Ideas, Improvements and Innovations is a resourceful solution to a problem - an idea is the foundation to an improvement or an innovation. Some helpful CI<sup>3</sup> tools include:

- Lean Principles
- Six Sigma
- Theory of Constraints
- Practical Problem Solving Method
- Business Process Engineering

CI<sup>3</sup> helps improve how we operate and accomplish the mission.

## GAIN

Enter your idea submissions or Air Force Idea Challenges at any time on the GAIN website!

<https://gain.apps.dso.mil/> - (CAC enabled)

## MICT AND IGEMS

MICT and IGEMS work process concerns? In need of best practices? We can help!

## GREEN BELT E-LEARNING

Green Belt Academics is a gateway foundational course that introduces Airmen to Continuous Process Improvement tools and methods and provides them with problem-solving and facilitation techniques. The eLearning Green Belt Course is available to Active Duty and Federal/NAF civilian employees at no charge.
